TRIP ITINERARY

Day 1 - Thursday

On Thursday, arrive at LaGuardia Airport and taxi to The Box House Hotel. Meet our girl squad for an evening appetizer & cocktail at the hotel restaurant to cheer the weekend!

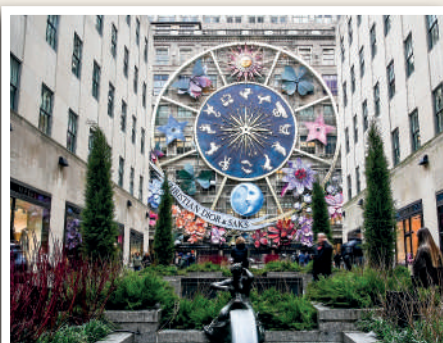

Day 2 - Friday

Rise and Shine on Friday morning for a delicious breakfast at The Box House Hotel

Friday starts with a 10:00 am tour that takes us to all of New York City's "must see." This is a six-hour hop on hop off luxury travel tour with a private tour guide. If you've never been to NYC or it's been a while, this is the BEST tour to get EVERYTHING in! This is the highest-rated full city tour by Trip Advisor.

Our day ends with a visit to Hudson Yards, where we'll explore the holiday lights and festive atmosphere. This is the perfect spot to take selfies and group photos at the Vessel, surrounded by twinkling lights in the courtyard. We will also head to the Hudson Yards mall for some top-notch holiday shopping, grab a hot cup of coffee, enjoy a meal, and soak in the spectacular seasonal lighting displays.

After Hudson Yards, there will be free time for everyone. Taxi back to the hotel when you are ready for restful beauty sleep before we wake Saturday to take on the city for yet another day of holiday travel cheer!

Day 3 - Saturday

After a delicious breakfast at The Box House, we depart for our scheduled 9:00 am SUMMIT One Vanderbilt experience! We explore this NYC treat and take in the view of the city from a one-of-a-kind vantage point! We promise you will get stellar shots for your socials here!

After we come down from the morning clouds, our first stop is the famous Plaza Hotel, and the 2024 Bergdorf Goodman Christmas windows displays. These windows require over one hundred staff workers from lighting, design, and installation. It takes over three weeks to create these amazing showcases which have been in the works for 11 months before they are revealed!! After enjoying the displays, we head over to Central Park to stroll around, taking in the iconic view of the skating rink and then making our way to the Holiday Market at Columbus Circle on the southwest side of the park.

Once the outdoor holiday shopping at Central Park has commenced, we will taxi over to Carmine's on the Upper West Side where our group will be treated to a coveted Italian dinner. Special diet accommodation available!

THE DYKER HEIGHTS AND NYC HOLIDAY LIGHTS TOUR

With our bellies as full as Santa's, we take to the taxis again to make our way to the grand finale...The Dyker Heights and NYC Holiday Lights Tour by Luxury Bus!

We will begin our journey with Midtown's dazzling lights, meandering through Chelsea and the Meatpacking District before paying a heartfelt drive by of the World Trade Center at night and glide by the historic New York Harbor, where the Titanic's grand entrance was once planned.

Get ready to be spellbound by the magical transformation of Dyker Heights, where an entire neighborhood becomes a glittering holiday spectacle. Capture enchanting moments with Lady Liberty at Brooklyn Bridge Park, cross the Manhattan Bridge, and conclude our whimsical journey at the sparkling Rockefeller Center Christmas Tree.
